VEHICLE REGISTRATION
INSPECTION AND TESTING CONSENT FORM**

READ CAREFULLY

Initial

1. As a condition to registering and operating my vehicle on MCAGCC, I agree to a blood, breath or urine test whenever there is reasonable cause to believe that I have operated a vehicle under the influence of drugs or alcohol. I understand that refusal to submit to such tests will result in suspension of my driving privileges by administrative proceedings and possible court-martial.

2. I further understand that if my vehicle is used to store or transport any controlled substance; such as illegal drugs, Federal Law provides that my vehicle be seized or confiscated and my base driving privileges will be revoked.

3. I also understand that MCAGCC is a National Defense Installation and that all vehicles on this base are subject to be searched and inspected by authorized military personnel.

4. I understand that any withdrawal of the consent I have given above will not be effective unless it is communicated in writing addressed to the Provost Marshal, and that for the withdrawal to be effective. I must surrender my DOD decal.

5. I also understand that the insurance on my vehicle must conform with the minimum California liability insurance law CVC 16056, which is 15/30/5, to register my vehicle and I must maintain that minimum insurance to maintain my vehicle registration on MCAGCC.

6. I am aware of CC0 1630.8B, Regulations for towing, which provides for the removal and temporary impoundment of privately owned vehicles that are either parked illegally, interfering with military operations, creating a safety hazard, disabled by incident or abandoned. This towing will be at no expense to the Government. I understand that this is a prerequisite to register my vehicle and my initials indicates I will comply with the impound policy.

7. Federal law requires all vehicles of Active Duty Military Personnel and their dependents and all Civilian Employees with out-of-state registration to have a Smog Inspection done on their vehicle prior to being issued a permanent DOD decal.

8. I also understand that CC0 1630.8B states that the use of radar detectors aboard MCAGCC is strictly **PROHIBITED**.

9. I also understand that CC0 1630.8B states that tinting is allowed only on glass located to the **REAR** of the driver's seat, providing the vehicle is equipped with two outside rearview mirrors (one on each side of the vehicle). Tinting on the driver's door, front passenger door, or below the uppermost six inches of the windshield is prohibited.

10. I understand that lost stolen or mutilated decals must be reported immediately to the Provost Marshal's Office.
